ENVIRONMENTAL TECHNOLOGIST I

FOR IMMEDIATE HIRE IN VICTORIA BC. Positions are also open in the Lower Mainland and Okanagan.

Gwaii Engineering is an Indigenous-owned Civil and Environmental Engineering Firm based in Victoria, BC. Our tight-knit and fast-growing team provides civil and environmental engineering services to a broad client base on Vancouver Island and across British Columbia. We pride ourselves on our progressive and open work culture, fostering an environment that values quality, community, and health.

Gwaii team member PERKS:

- Flexible 4-day work weeks
- Health and dental benefits
- RRSP matching contributions
- Twice-weekly in-house yoga'
- Social retreats
- Annual fitness stipend

Role:

We currently have an opportunity for an Environmental Technologist I based out of our Victoria, British Columbia office. The role includes environmental monitoring, field sampling, report writing, and project support.

Responsibilities may include:

- Environmental and construction field monitoring
- Participation in all facets of environmental or contaminated site projects, including phase I & II ESA and remediation
- Sampling and monitoring of soil, sediment, surface water, groundwater and soil vapour
- Conducting independent analyses and interpretations of data
- Assisting in production of environmental reports
- Developing opportunities with existing and potential clients

Qualifications & Experience

- Relevant degree or technical diploma in environmental science, engineering, geology, hydrogeology, or related
- 1-3 years relevant previous experience (preferred)
- Effective written and verbal communication skills
- Familiarity with ArcGIS or AutoCad
- Valid Class 5 BC Driver's Licence

Compensation:

Salary and bonus structure is industry competitive and negotiable based on experience. Potential signing bonus to the right candidate.
