## JUNIOR CIVIL ENGINEERING DESIGN TECHNOLOGISTS

### OUR TEAM IS GROWING! FOR IMMEDIATE HIRE IN VICTORIA, BC

Gwaii Engineering is an Indigenous-owned Civil and Environmental Engineering Firm based in Victoria, BC. Our tight-knit and fast-growing team provides civil and environmental engineering services to a broad client base on Vancouver Island and across BC, with a special focus on First Nations communities. We pride ourselves on our progressive and open work culture, fostering an environment that values quality, community, and health.

#### Gwaii team member PERKS:

- Flexible 4-day work weeks
- Employee ownership/ profit-sharing
- Health and dental benefits
- RRSP matching contributions
- Twice-weekly in-house yoga
- Social events
- Annual fitness stipend
- In-house gym

### Role:

We currently have opportunities for Junior Civil Engineering Design Technologists based out of Victoria, BC. The role includes civil engineering design and drafting, with direct supervision from an engineer, construction inspection, and project support.

### Compensation:

Salary and bonus structure is industry competitive and negotiable.

### Responsibilities:

- Preparation of storm, sanitary, and watermain drawings.
- Preparation of roadworks drawings including plan, profiles, sections, and corridors.
- Preparation of servicing concept and re-zoning plans.
- Preparation and design of Stormwater Management Plans and calculations, and Erosion and Sediment Control Plans.
- Preparation of detailed design drawings to support approval applications.
- Coordination with clients, contractors, regulatory agencies and subconsultants.
- Assist with field review and construction related activities.

### Qualifications & Experience

- Relevant degree or technical diploma in engineering, environmental science, or related.
- Familiar with AutoDesk Civil 3D.
- Valid Class 5 BC Driver's Licence.
- The ability to deal tactfully and effectively with clients and co-workers.
- Ability to work within a civil design team.
