

Position: Engineering Technician

Gwaii Engineering is an Indigenous-owned Civil and Environmental Engineering Firm based in Victoria, BC. Our tight-knit team provides civil and environmental engineering services to a broad client base on Vancouver Island and across BC, with a special focus on First Nations communities. We are looking for experienced & talented individuals - but moreover, we're looking for people who have a passion for making a difference! At Gwaii, we pride ourselves on a progressive and open work culture, as well as a commitment to the communities we serve and the communities we live in. We want to find driven team-players that will uphold our values - and have a good time while doing it! We are looking to fill our co-op student position for the Summer Term (May - August 2025). Wage will be a variable range between \$21 - \$25 per hour depending on student experience.

Responsibilities:

- Preparation of storm, sanitary, and watermain drawings.
- Preparation of roadworks drawings including plan, profiles, sections, and corridors.
- Preparation of servicing concept and re-zoning plans.
- Preparation and design of Stormwater Management Plans and calculations, and Erosion and Sediment Control Plans.
- Preparation of detailed design drawings to support approval applications.
- Assist with field review and construction related activities.

Who we're looking for:

- Second year or above
- Effective written and verbal communication skills
- A "self-starter" work ethic
- Familiarity with ArcGIS or AutoCad
- Valid Class 5 BC Driver's License
- Preference will be placed on applicants identifying as Indigenous (First Nations, Inuit, or Métis)
